

## Compact Fluorescent Lamp

Designed to provide economical and efficient lighting, U-LI Goodlite's GMF/PLL range of fittings is suitable for installation in places requiring high illumination. This high lumen output is delivered through the combination of high performance compact fluorescent lamps and louvred crossvane reflector design.

Dimension of Fittings

Ceiling Mounting Type	Model	Wattage (Tubes)	Length L1	Length L2	Profile
Tee Bar Imperial / Metric	GMF 236/PLL/AL	2 x 36W	597mm		
	GMF 336/PLL/AL	3 x 36W	597mm		
Surface	GMF 236/PLL/SU	2 x 36W	597mm		
	GMF 336/PLL/SU	3 x 36W	597mm		
Plaster / Wooden	GMf 236/PLL/RE	2 x 36W	620mm	650mm	
	GMF 336/PLL/RE	3 x 36W	620mm	650mm	

Options

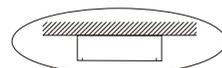

White Optic

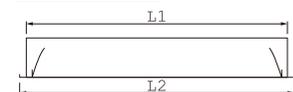

Double Parabolic cross vanes

As mounted on Tee Bar

As Mounted on Concrete Ceilings
